Loving Solutions... A Strong Foundation Starts at Home

The Loving Solutions Program guides parent guardians through identifying concrete solutions to support young children with growing up healthy and successful through a cooperative learning approach. Loving Solutions provides guidelines for parents to support them in:

- Determining when they need a "rule"
- Knowing what issues are negotiable
- How to use time-outs properly
- How to get children to cooperate with household chores
- How to help siblings get along
- Improving school performance

*Loving Solutions also addresses the needs of children with ADD/ADHD
