

everychild.one voice.®

We hope everyone had an amazing time at our Boardwalk Fun in the Sun Carnival! It was great seeing so many families out there enjoying everything the night had to offer!

A special thank you to our wonderful teachers who volunteered their time to run a booth or supervise the upper field! Thank you to the jr high, high school and parent volunteers who helped make the night possible and to our AMAZING sponsors, donors and vendors who gave us a night to remember!
