Dear St. Elizabeth Families,

Last evening you should have received information in regard to a calendar change for May. On the original calendar it stated that May 8th school was closed for a professional day but it is actually May 9th. I apologize for any inconvenience. If you had made plans for the 8th, please contact me and we can discuss the absence. May 9th is our day at the archdiocesan professional development. Again, I apologize for the error.

This week the children in grades 5-8 completed their Improv program with Ms. D from Youth Song. It has been a pleasure working with Youth Song and Ms. D. This was a very different activity for the children and I believe it was a great success. I look forward to working with them in the future.

Wee, I think Spring is finally here. The children are able to be outside for recess and as the mornings get warmer, I look forward to them being outside then as well. Please remember that a lighter coat may still be necessary.

On April 10th we will have an Open House for prospective parents. Please send for your neighbors and friends to look at our school. This is not for current parents to visit.

Next month we have our Parent Teacher Conferences on the 5th, Talent Show on the 11th and the Science Fair on the 12th. The Passion will be presented by our 8th graders on the 16th. April is a busy month and we are closed for Easter Break.

Have a wonderful weekend!

Sincerely,

Karen A. Lewis
