

# ROCHESTER SCHOOL FOR THE DEAF

## ATHLETIC DEPARTMENT

**Dear Parents/Guardian :**

**There are times during a sport season that a game or practice needs to be cancelled due to weather conditions, illness of a coach, etc. There are also situations that arise, such as the time or location of a game may need to be changed. To eliminate confusion I would like to set up a plan that your child will follow in the event a game or practice needs to be cancelled or a time change occurs.**

**Please check the following statements that you want to apply if a game or practice is cancelled:**

**\_\_\_ My son/daughter will call me.**

**\_\_\_ It is not necessary to inform me, my child should take the bus home.**

**\_\_\_ It is not necessary to inform me, my child should go to dorm.**

**\_\_\_ Please inform me if a game or practice is cancelled. I can be reached at following phone number. \_\_\_\_\_. If I cannot be reached, please call \_\_\_\_\_.**

**If I am unable to reach you, then I will make the decision as to what is best for your child.**

**If you plan on attending a game, it is often a good idea to check with the Athletic Department to see if there has been a time change. We cannot control all the events that occur but we can have a plan to eliminate some confusion.**

**Thank you. When questions arise please call me at 544-1240 ext. 2418.**
