MIKE OBERLE MEMORIAL SCHOLARSHIP

Mr. Oberle (Obe) taught Chemistry and AP Physics, coached OCAD, and served as technology support for most of his 30 years at El Dorado High School. He was also a graduate of EDHS, involved in water polo and swimming. He could be found at many EDHS athletic events, theater events, and even participated regularly in Comedy Sportz. Obe inspired students with his passion for life, love of learning, inventiveness, spontaneity, humor, and quick wit. He taught us to take risks, to never waste a moment of life, and to love what you do. This $500 scholarship in his name will be awarded to an El Dorado senior who embodies his can-do spirit and Hawk Pride, has a cumulative unweighted academic 3.0 GPA, and will major in the sciences or education at a four-year college.
