Minerva Morales, Superintendent

**Letter to Households in Schools/Districts Participating in
Community Eligibility Provision**

August 29, 2014

Dear Parent or Guardian:

We are pleased to inform you that the Mabton School District will be implementing a new option available to schools participating in the National School Lunch and School Breakfast Programs call the Community Eligibility Provision for school year 2014-15.

What does this mean for you and your children? Great news for you and your students! All enrolled students of the Mabton School District are eligible to receive a healthy breakfast and lunch at school at **no charge** to your household each day regardless of income. No further action is required of you.

Your child (ren) will be able to participate in these meal programs without having to pay a fee or submit a free and reduced-price meal application.

Your school may ask you to complete a "Family Economic Survey" to help your student's school become eligible for funding for many important academic programs. Please look for that survey and return it to your school when it arrives.

If we can be of any further assistance, please contact us at Artz-Fox Elementary School Kitchen at 894-4767.

Sincerely,

A handwritten signature in black ink that reads 'Sharon Ott'.

Sharon Ott
