Pre- Participation Physical Exams “Sports Physicals”

Date: May 24, 2018 **Time:** 3:30pm

Mission Sports Medicine will conduct pre-participation physical exams (PPEs) or ‘sports physicals’ at McDowell High School.

Any rising 6th-12th grade student who will be, or is considering, participating in NCHSAA sanctioned sports, must undergo a state-mandated PPE prior to trying out for a sport.

Parents are encouraged to attend to address additional questions the medical team may have during the exam. **East McDowell Middle will provide a bus for students to travel to physicals. See Coach Comer or Coach Lytle for more details.**
