

Operations Manager

The Operations Manager is an integral part of MESA Charter High School's success. The Operations Manager reports to the Director of Operations (DOO) and works closely with the DOO and other members of the Leadership Team to ensure optimal systems and procedures are implemented across the organization.

- You might be a fit for this role if you are:
 - **An Experienced Teacher** who is extremely **organized** and **systematic** and looking for a new challenge
 - A **school operations associate or coordinator** who is looking for an opportunity to grow
 - An **operations professional** from a different field who is looking to **transition into a school environment**.

Math, Engineering, and Science Academy (MESA) Charter High School is a community high school in Bushwick, Brooklyn. We opened our doors on August 19, 2013, and we now have 465 students in grades 9-12. We graduated our first class of seniors in June 2017 and our graduation rate is 92%. Our students come from more than forty different middle schools, including public, parochial, and charter schools. Some are advanced students coming from magnet schools; others are beginning English Language Learners. What they all have in common is a desire to succeed. MESA students come to school every day, ready to work—we have a 95% attendance rate and a 97% punctuality rate, both significantly higher than other high schools in our district! When it comes to regents pass rates, MESA outperforms its peers by a rate of 20-30%!
