

# Accessing ParentsWeb

FACTS Management gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the Internet!

Parent Web from FACTS is a private and secure parents' portal that will allow parents to view academic information specific to their children, while protecting their children's information from others. You may view announcements, calendar, your child's grades, attendance, *and lesson plans (if teacher chooses to utilize)*, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use ParentsWeb:

- In Chrome, Firefox, Safari, or Internet Explorer go to [annunciationcatholicschool.org](http://annunciationcatholicschool.org) and click **FACTS: Parent Web** quick link under featured photos all the way to the right or go to Parents tab at the top of the screen and select **FACTS: Parent Web** on menu down at the bottom.
- Click **Create New ParentsWeb Account**.
- Type your email address and click **Create Account**. An email will be sent which includes a link to create your ParentsWeb login. The link is active for 6 hours.
