

**Robla School District  
5248 Rose Street  
Sacramento, California 95838**

**INTERNET/INTRANET ACCESS AND USE DISCLAIMER**

The school makes every effort to limit access to material on the Internet which is inappropriate at school (e.g. with close adult supervision, blocking software). However not all inappropriate material can be blocked. If a student deliberately uses the Internet at school to obtain, view or post inappropriate material (e.g. of a sexual, violent, racist nature), parents will be notified and he/she will lose his/her computer privileges for a period to be determined by the teacher (or other appropriate school personnel) and the Principal/Designee.

**Student Agreement:** I \_\_\_\_\_ (Student's Printed name), understand this rule and its consequence. I agree to use my access to the Internet at school in an appropriate manner, following all rules and guidelines set down by school authorities.

Date

**Parent/Guardian Agreement:** I/We understand the easy accessibility to inappropriate material on the Internet. I/We support the school's position on students' use of the Internet, and will not hold the school or the Robla School District liable should my child, by accident or on purpose, gain access to inappropriate material on the Internet.
