434 MILLBURN AVE., MILLBURN, NJ 07041

Dear Staff and Parents,

On behalf of the Millburn Township Board of Education, we would like to express our sincere gratitude to Dr. Burton, our district Administrators, and Staff for acting decisively and being proactive in the face of this Coronavirus pandemic.

This is a difficult and unprecedented time for our district. The Board has witnessed firsthand the intense preparation the district has done recently to make the next 10 days of virtual learning possible.

We want to express our support and solidarity with the Superintendent, administration and staff and thank them for their hard work and effort. We would also like to thank the parents and community for all of their helpful information and support. Rest assured the children's safety is at the forefront of our minds as we foster their learning and growth.

Sincerely,

Alex Zaltsman

Millburn Board of Education, President
