2017-2018 School Annual Education Report (AER) Cover Letter

April 12, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-2018 educational progress for the Freeman Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mrs. Anna Johnson, Principal at (810) 760-1797 for assistance.

The AER is available for you to review electronically by visiting the following web site <http://bit.ly/2Gamz1c> or you may review a copy in the main office at your child's school.

For the 2017-2018 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

We strive to give our students the best educational experience. Flint Community Schools has adopted the Whole School, Whole Child, Whole Community model which is a perfect partner to the Community School Model that has been a long-standing philosophy in the district. Together with our many community partnerships, we continue to plan and work to achieve our MDE Partnership Agreement goals of: 1) increasing attendance rates to at all of our schools; 2) decrease out-of-school suspension rates by improving the climate and culture of all buildings; and 3) improve academic proficiency in mathematics and reading on a variety of assessments.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

The Flint Community School District has a centralized enrollment process. The Flint School District has established residential boundaries that govern which school students attend. Consideration of student needs and specialized programming are also taken into consideration to determine school placement. The district has a process for school transfers and participates in the County Section 105 Schools of Choice program which parents can apply for in the office of Centralized Enrollment.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

We are continuing to monitor and revise our school improvement plan. Goals and strategies support current data in all content areas. The plan is written and reviewed by staff, parents, and district personnel. The goals and strategies are based on our students' achievement data and are aligned with the district goals.

Buildings receive support in curriculum implementation from building principals, and instructional specialists. The district uses Common Core State Standards, Michigan's Science Standards, and grade level expectations as the basis for developing all curriculum documents.
