Bullying and Harassment report for 2nd semester of 2017-2018

The legal definition of bullying, harassment, and intimidation is:

“Any intentional written, verbal, graphic or physical act that a student or group of students exhibited toward another particular student more than once and the behavior both:

**Causes mental or physical harm to the other student; and
is sufficiently severe, persistent or pervasive that it created an intimidating,
threatening or abusive educational environment for the other student.”
*ORC 3313.666***
