

# Colton-Pierrepont Central School NEWS & NOTES

Volume 17, Issue 3

January / February 2017

## ***From the Superintendent's Desk***

The winter weather is on the way and we already have one snow day under our belt. This is the time of year when we remind each other to slow down, take caution, and drive safely. At school, we also need to remind our guests to park safely.

We have been having some issues with the parking during basketball games this year. Despite the "No Parking" signs and cones on the school side of our bus loop, some spectators have been parking on that side. This blocks the loop from bus and *emergency vehicle* traffic. We must keep the loop open for safety reasons. If you see anyone parking on the curb side of the bus loop, please remind them that it is unsafe to block the loop. Thank you for your help in keeping our students and spectators safe!

Speaking of working together be sure to cherish your extra time with family and friends during this joyous season! Take heart in knowing that the smiles are abundant in our halls this time of year because of the love, support, and generosity that these students are surrounded by.

*Our Mission Statement: The Colton-Pierrepont Central School Community proudly educates students to become responsible, respectful and resourceful citizens, thereby continuing a tradition of innovation and excellence.*

## **BOARD OF EDUCATION MEETING SCHEDULE FOR THE 2016-2017 YEAR**

Board of Education meetings for the 2016-17 school year are scheduled for the following nights beginning at 5:30 p.m. unless otherwise directed: December 21, 2016, and January 18, February 15, March 15, April 6 (BOCES Annual Meeting), April 25 (BOCES Budget Vote), May 10 (Annual Budget Hearing), May 16, and June 21, 2017.

### **NEWSLETTER INFORMATION**

Newsletter materials need to be into the Central Office by February 3, April 7, and May 19, 2017, in order to be published in the following month's News and Notes.

In an effort to be more environmentally friendly we will only mail newsletters to those that request a paper copy. The newsletter is available on our website, [www.cpcs.us](http://www.cpcs.us). If you would like to be on our mailing list for the paper newsletters or to be emailed the newsletter please contact Diane Ladison @ (315) 262-2100 extension 144. If you have any questions or concerns, please contact us.

### **SCHOOL CLOSURES**

As colder temperatures draw near, we are reminded that severe weather is a part of life in the North Country. In most instances, school will be open even when the weather is inclement if town roads are open and passable. Nevertheless, the safety of all our children is the primary concern of Mr. Kardash, Mr. Matthie, and Mrs. Fisher-Davis, and some weather conditions may require school to be delayed, closed, or dismissed early because of the severity of an incoming storm. Please be assured that Mr. Kardash, Mr. Matthie, and Mrs. Fisher-Davis consult a number of sources to make the best possible decision regarding the safety of our students.

In all instances of a school delay, closing, or early dismissal, local radio, and television stations will be notified to make the announcement. The absence of any announcement means that school will operate on a regular schedule.

Please check our school's Facebook page, website, and the following radio and television stations for updated necessary information are: Star Country 100.1, Mix 96/101.5 FOX/WMSA, Q COUNTRY/PAC, FROGGY 97/Z93 and NORTH COUNTRY PUBLIC RADIO, WWNY-TV Channel 7 News and FOX 28, YNN, and WWTI/ABC50.

### **FROM THE DIRECTOR OF PUPIL SERVICES LIANNE KNIGHT'S DESK**

CPCS plans to hold an Information Session for parents/guardians of students in grades 7-12 who receive Special Education (IEP) or Section 504 Accommodations. Topics will include graduation pathways, transition-from-high school planning, and information about resources for students after graduation (i.e. ACCES-VR). Detailed information about the date, time, and location will be mailed home in January.

Parents or students are welcome to contact Mrs. Knight with ideas for additional topics they would like covered.

## **FROM PRINCIPAL JAMES NEE'S DESK**

Congratulations to all of the students who attained honor roll and/or high honor roll status for the first quarter. It is great to see so many students dedicating themselves to academic achievement. Please continue to work hard inside and outside of the classroom as we move forward with the second quarter. We also want to recognize the Boys' & Girls' Varsity soccer teams for being Scholar Athlete Team Award recipients for 2016!

CPCS continues to work on our school's mission of developing students "to become responsible, respectful, resourceful citizens." We encourage parents to ask your child the types of character education and digital citizenship lessons that are being taught in the classroom, Library, and through our Guidance Office. Developing a positive and productive citizenry requires support from everyone.

Thank you to parents and staff for adjusting to rescheduling parent/student/teacher conferences due to the snow day on 11/21. We appreciate the large turnout for parent teacher conferences and the positive conversations that took place. We know that having an open collegial dialogue about student progress is in the best interest of every child. Thank you for taking the time out of busy family schedules to meet with us.

CPCS once again completed our annual "Penny Harvest." Monies raised will be donated again this year to the Colton-Pierrepont Backpack Program. Students celebrated this accomplishment with a specially prepared Thanksgiving meal made by our wonderful cafeteria staff and served by the St. Lawrence Hockey team and our PTSA.

Our Whiz Quiz team traveled to Burlington, Vermont on December 2<sup>nd</sup>, for a chance to qualify for the National Whiz Quiz competition. Our varsity and junior varsity Whiz Quiz team had a positive showing during the competition. Students will be back at it in the early mornings preparing for future competition.

Once again our Holocaust Elective class traveled to Washington, D.C. in November to visit the United States Holocaust Memorial Museum. Students toured the Permanent Exhibit as well as many other National Memorials and Museums. The brief three day trip was a valuable worldly experience we hope to continue in the future for our students. Prior to the trip the students were able to speak with two Holocaust survivors providing a first-hand account of the events that transpired in Europe during the 1930s and 1940s.

Our Elementary students will perform for our winter concert program on December 7. We know the auditorium will be to capacity as our young musicians perform their hearts out. The High School Winter concert will take place on December 14, beginning at 7:00 pm. We appreciate all of the community support for this event. Please come out to support our students as they take the stage.

As we move through the month of December, our CPCS Student Government representatives will sponsor our annual food drive with a PreK-12 competition. We encourage everyone to participate. Student Government will also sponsor our annual grades 7-12 trip to Maxcy Hall before the break.

Finally, we should recognize our dedicated students for the month of November with the focus on being kind along with our C.A.P.E. (Colts Acting with Perseverance and Effort) award winners. Students are accomplishing great academic feats and having real world experiences inside and outside our building. We are all proud of you. Go COLTS!

Please follow us on our school Facebook page Colton-Pierrepont Central School, on our website at [www.cpcs.us](http://www.cpcs.us), on Twitter @COLTSCPCS and @CPCSAthletics, and through #COLTurechat

## **COLTON PIERREPONT PTSA NEWS**

The Colton-Pierrepont PTSA holds meetings on the first Wednesday of every month in the school library at 6:30 p.m. We would love to see some new faces and new ideas. Please check out our web page link on the school's website. Feel free to call or email with any questions or concerns.
