WLISD

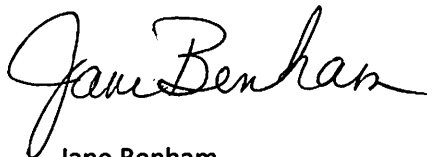

PO Box 637

Wink, TX 79789

Mr. Scotty Carman and WLISD School Board,

A sincere thanks to you for donating the library shelves from the former junior high/school library to Marathon ISD. We traveled to Alpine on Feb. 12th as John was refereeing a playoff game there. We decided to stop through Marathon the next day on our way back. John had worked there as interim superintendent and I also worked there to update and improve their libraries. What a nice surprise to see the much needed shelves in the high school library. They are also working to improve many areas of their school, including the playgrounds. I hope you will consider giving them the elementary school playground equipment, also, as Ms. Singh stated that they really could use it for their students. Again, I thank you for giving them the much needed shelves. It improved the libraries so much. We hope all is well in Wink and always wish you the best.

Kind Regards,
