

STUDENT COURSE SCHEDULE INFORMATION

Welcome to Enosburg Falls High School 2018-19 school year! We're so glad you're here and want to help make your high school years the best they can be. We understand how important your class schedule is, so below you will find information on how to access schedules and what to do if you need to make changes to your schedule.

See you soon!

The EFHS School Counselors

Schedules can be viewed in PowerSchool by logging into <http://ps.fnesu.net>. For families who have already used PowerSchool in the Franklin Northeast School District user names and passwords will remain the same.

For questions regarding **accessing schedules**, please contact EFHS at (802) 933-7777.

For **schedule corrections** students can meet with their school counselor in the Guidance Office August 29, 2018 through August 31, 2018. This is only for students who have errors in their schedule (missing academic classes, classes already taken, wrong level placement...).

School Counselors will assist students with **schedule changes** during the add/drop period from September 4, 2018 through September 10, 2018.
