San Augustine Middle School Grading Policy

Classwork
If a student receives a grade lower than a 70 on daily assignments (classwork, homework, etc), students are allowed to redo daily assignments to receive a maximum score of a 70. Students will have 3 school days to redo the assignment upon return of the assignment to the student or notification of the grade earned.

Late Work
If a student fails to turn in an assignment on the due date, the teacher will mark an “M” for missing in the grade book and make parent contact. The “M” constitutes as a zero for the assignment grade. The student will have 3 school days to turn in the assignment for a maximum score of a 70.

Absent Work
If a student is absent, the student has 3 school days from receiving the missed work to complete and turn it in. Work that is turned in within the 3 days can receive full credit. Work that is turned in after the 3 days can receive a maximum score of 70.

Assessments
Students will be given the opportunity to make up any summative test grade that is below a 70. The maximum grade that can be achieved on make-up assessments is a 70. Students have 3 days upon receiving the grade to make up assessments.

Grades
