SCHOOL DISTRICT

October 11, 2019

Dear Dennis Township Families,

This notice is to make you aware of an incident which occurred yesterday on the bus going home. A Primary School student made a comment about bringing a knife to school the following day. The incident was reported and handled by administration. At no time were students and staff in danger and no knife was brought to school.

It is important to note this comment came to light because students reported it to their parents who then reported it to our school. At all times, we encourage you and your children to report any and all concerns. We will continue to be responsive to ensure the health, safety and welfare of all of our students and staff.

Yours in Educating Our Children,

Susan S. Speirs
Superintendent
