

MATCH YOUR DONATION

To All Booster Groups
With the help of your employer

Every year SRVHS Booster Groups raise over **\$40,000** in matching funds with the help of your generous donations AND the match made by your employer. This is great BUT we can do better!

We are thankful for these matches, however, many thousands of dollars in matchable donations go unmatched. Please take a few minutes to see if your company matches. If they do, please consider matching all of your tax deductible SRVHS booster donations and classroom donations.

Double Your Donation - It's as easy as 1, 2, 3!

- Step 1:** Go to <http://www.srvf.org/how-to-get-involved/matching-gifts> to see if your company matches. If they do, note their matching gift form URL link which will connect you with YOUR matching form. Some companies will direct you to your company intranet.
- Step 2:** If you don't have your SRVHS registration receipt, go to <https://srvhs.futurefund.com/> registration and print your receipt. At the bottom, note your tax deductible donations for SRVHS and each non-profit booster group you donated to.
- Step 3:** Submit a match for each tax deductible donation noted on your registration receipt.
