

CALVARY CHAPEL SCHOOLS FROM THE DESK OF THE CHANCELLOR

Coronavirus Update #6

March 18th, 2020

Dear Calvary Chapel Schools Community,

I hope you are starting to adjust to the new normal the Coronavirus has created. We continue to adapt our approach as the situation develops and as new information and public directives arise. Yesterday's OC Health Alert listed schools that provide remote learning as an essential service, so we will keep our offices open with minimal staff during the hours of 8AM - 2PM. All staff may be reached by email as well.

I am incredibly proud of Superintendent Huffman, his leadership team of principals, and all of his staff and teachers for the amazing job they are doing. Their innovation, creativity, skill and commitment are nothing short of spectacular. On very short notice, they have developed a way to educate our students remotely yet thoroughly, while paying careful attention to keep Jesus central. Please continue to follow their detailed instructions on our remote learning process. We will continue to refine and improve that process as we go, so thank you for your patience in this uncharted landscape.

We are postponing our Chancellor's Challenge Dinner until the fall due to low participation in the event. We had thought of setting a smaller goal online this spring, but overcoming the Coronavirus situation needs our full attention right now. Thank you for sharing your concerns about our fundraising goals with me, which will help us repurpose our advancement approach to more closely reflect the desires of our parent community. I want to share that the church has approved a \$100K matching fund when we do hold the event. Please join me in thanking the church for their generosity in advancing the schools financially as well as spiritually.

We are also postponing the Eagle's Fun Run, so stay tuned for new dates for both events

as they become available. Thank you to everyone, who worked so hard to arrange these events (and others), and know that the fruits of your efforts may be delayed but not denied.

Senior Pastor Brian Brodersen, Executive Pastor Jordan Taylor, and the entire pastoral team stand united with Mr. Huffman and his team on maintaining the Christian values that make Calvary Chapel so loved by every family. We may not be physically together for a while, but our love of God and each other remains. The church and school are here to serve you during unusual times such as these, so please let us know how we can help. We will continue to pray for you and to encourage you every day. This crisis will eventually pass, but the memory of how we treated one another during this time will not. May the Lord say to us, "Well done, good and faithful servant[s]" (Matthew 25:23).

Let's continue to pray and work together for the benefit of every student and family in our schools.

When the earth and all its people quake, it is I who hold its pillars firm. (Psalm 75:3)

God bless you and God bless our schools,
Dr. John Moran

Chancellor
