- Available on any mobile device with internet access
- Some content can be downloaded for access offline

Your Public Library

<https://www.infohio.org/document-library/item/oplin>

Tips for Parents:

- Read together at least once a day, even at big sister's basketball game. INFOhio's digital content goes with you.
- Ask each family member to have a "job" while reading: Sound effects specialist, page turning, summarizer.
- Turn on your closed captioning on the TV! Watch holiday specials and read while you laugh.

INFOhio gives Ohio students, teachers, and parents free access to digital content that you can't find for free anywhere else. You can access INFOhio on any device with an internet connection. If you are in Ohio, you probably won't even need to log in. Contact support.infohio.org with any questions or comments.
