* Where: Henderson County High
School Cafeteria

*Who Needs to Attend: **Parents/Guardians of
current 8th-grade students**

It is very important and pertinent that you attend these meetings to learn about the new high school graduation requirements that will be in place for your child. The requirements are different from the graduation requirements from previous years.

The Kentucky Board of Education approved changes to the regulation on minimum graduation requirements for Kentucky students entering high school in 2019 and 2020.

This will affect our current 8th-grade students and all grade levels below. Current 9th-12th-grade students will continue on their required graduation path that they have started.
