### **EDUCATIONAL EXHIBITS**

**Creative Youth/Best of K-6:** View thousands of inspiring pieces of work and projects created by San Diego youth and join us for collaborative, process focused activities.

**The Farm:** Spot the Queen Bee, learn about Hydroponics, visit the butterfly exhibit and see the baby chick farm. This is a rich agricultural area designed to teach fairgoers how their food is grown.

**CA Grown:** Take an adventure into the past, present and future of California's agriculture from farm life on the missions to the future of farming with technology.

**Oz Some Theme Exhibit:** Follow the yellow brick road to this fun and educational interactive exhibit all about the Wonderful Wizard of Oz.

**Student Showcase:** Check out thousands of high school and community college student works from art to photography to woodworking. Stop by the Video Cube to see video entries or visit the Tin Cup Stage and see a student presentation.

**Livestock:** Don't miss the animals in our livestock barns.

**Design in Wood** and **Gems & Minerals**
