

## Frequently Asked Questions and Information

### 1. What size backpack does my child need?

**Please provide a backpack for your child that is big enough to fit a 2 pocket folder and has a zip closure.**

### 2. Can my child start Preschool without a dental exam on file?

**Yes. Dental exams are encouraged and can be turned into your child's teacher at any time during the year.**

### 3. Does my child have to get a physical before starting Preschool?

**We must have a Physical form signed by a physician on file for each student, before the start of the school year. A form was included in the packet mailed to you at the end of July.**

***Returning students:*** Your child's physical form from last year is good for one calendar year from the date of the physical. Please turn a newly completed form in to your child's teacher after your child has their next physical exam.

***New students:*** Your child's physical forms are due to your child's teacher when you come in on August 15, 2019 for the staggered start. Please let the teacher know if

### 4. Please make sure to dress your child appropriately for outdoor play, especially when the seasons change, as your child will have outdoor play in their schedule, weather permitting. **Gym shoes** are recommended since the students will be active throughout the day, in addition to participating in gym class.

### 5. Teachers will be calling after August 12, 2019 to introduce themselves.
