**NOTE FROM DR. PHILLIPS**

Hello, this is Dr. Phillips, Superintendent of Jubilee Academies. Keeping you safe and educated is always our top priority, so we’d like to share some important facts about the coronavirus. Together we can slow the spread just by staying at home! If you must go out, stay at least 6 feet away from others, and disinfect frequently touched surfaces like countertops and doorknobs whenever you return.

Keep germs away by washing your hands with soap and water for 20 seconds. To keep from spreading germs, avoid touching your eyes, nose, or mouth and cover a cough or sneeze with your elbow. If you have symptoms of COVID-19 – a fever, dry cough, or shortness of breath – call your doctor. We hope to see you all very soon!

**HOLIDAY OBSERVANCES**

In observance of the holiday, Jubilee Academies will be closed as reflected on our school calendar. Students will not be given assignments to allow for time with family. In addition, teachers will not be required to be available until after the holiday.
