1.33 Covenant Against Contingent Fees

The Service Provider warrants that no person or agency has been employed or retained to solicit or obtain this Contract upon an agreement or understanding for a contingent fee, except a bona fide employee or agency. For breach or violation of this warranty, the District shall have the right to annul this Contract without liability or, in its discretion, to deduct from the Contract price or consideration, or otherwise recover, the full amount of the contingent fee.

1.34 Non-Discrimination of Employment

The District is committed to promoting equal opportunities for all and to eliminating prohibited discrimination in all forms. For purposes of this section, Prohibited Discrimination means discrimination in the solicitation, selection, and/or treatment of any subcontractor, vendor, supplier or commercial customer on the basis of race, ethnicity, gender, age, religion, national origin, disability or other unlawful form of discrimination. Without limiting the foregoing, Prohibited Discrimination also includes retaliating against any person, business or other entity for reporting any incident of Prohibited Discrimination. It is understood and agreed that not only is Prohibited Discrimination improper for legal and moral reasons, Prohibited Discrimination is also an anti-competitive practice that tends to increase the cost of goods and services to the District and others. As a condition of entering into any Agreement, the Service Provider will represent, warrant and agree that it does not and will not engage in or condone Prohibited Discrimination. Without limiting any rights the District may have at law or under any other provision of any Agreement, it is understood and agreed that a violation of this provision constitutes grounds for the District to terminate any such Agreement.

During the performance of the Contract, Seller shall not discriminate against or deny the Contract's benefits to any person on the basis of sexual orientation, national origin, race, ethnic background, color, religion, gender, age or disability.

1.35 Payments

Invoices shall be sent to District's accounts payable department. Payment terms are Net 30 days after receipt of correct invoice or acceptance of Services, whichever is later.

Seller shall assume all risks attendant to any improper expenditure of funds under the Contract. Seller shall refund to the District any payment made pursuant to the Contract if it is subsequently determined by audit that such payment was improper under any applicable law, regulation or procedure. Seller shall make such refunds within 30 days after the District notifies Seller in writing that a payment has been determined to be improper.

1.36 Performance Dispute Resolution

All Services rendered shall be subject to the District's inspection. Services that are defective in workmanship or material or otherwise not in conformity with the requirements of the Contract Documents may be rejected. The District may require Seller to promptly replace or correct any rejected Services and, if Seller fails to do so, the District may contract with a third party to replace such Goods and Services and charge Seller the additional cost.

1. GENERAL TERMS AND CONDITIONS

The alternative dispute resolution procedure of this section is the exclusive procedure for any and all disputes, controversies, or claims arising out of or in connection with or relating to this Agreement or any breach or alleged breach thereof, and any claim that the District or the Contractor violated any state or federal statute, Michigan common law doctrine, or committed any tort with respect to this Agreement.

Any dispute, controversy, or claim shall be made in writing and mailed to the District or Contractor, within a reasonable time from the date the party should reasonably have been aware of the circumstances giving rise to the dispute, controversy or claim. The District and Contractor agree to meet and make reasonable effort to resolve any such disputes, controversies, or claims informally. Such efforts must include mediation before either party may demand arbitration.

If, despite reasonable effort by the parties, the District and Contractor are unable to resolve the disputes, controversies, or claims, upon the request of the party involved, they may be submitted to and settled by arbitration as defined in this section.

The parties hereto specifically agree to arbitrate with the other party in a joint proceeding with regard to all common issues and disputes. This Agreement to arbitrate shall be specifically enforceable under the prevailing arbitration law. Notice of the demand for arbitration shall be filed, in writing, with the other party to this Agreement. The demand for arbitration shall be made no later than 180 days after the claim, dispute, or other matter in question arose where the party asserting the claim should reasonably have been aware of the same, but in no event later than the applicable Michigan statute of limitations.

The parties shall have the right to mutually select a neutral arbitrator who is licensed to practice law in the State of Michigan. If the parties cannot reach an agreement, or upon the request of either party, an arbitrator will be selected by the Genesee County Circuit Court. The arbitration hearing shall be conducted in accordance with the rules established by the arbitrator selected by the parties. The arbitration hearing shall take place in or near Flint, Michigan.

The arbitrator shall have no power to add to, subtract from, or alter the terms of this Agreement, and shall render a written decision setting forth findings and conclusions only as to the claims or disputes at issue. The expenses of any arbitration shall be born equally by the parties to such arbitration, provided, that each party shall pay for and bear the costs of its own experts, evidence and counsel's fees. Any award by the arbitrator shall be final and conclusive upon the parties, and a judgment thereon may be entered in the highest court for the forum, state or federal, having jurisdiction.

1.37 Contractor's Representations

The Contractor shall perform all of the services described in Section 3.2 (Scope of Daily Services/Frequency) and make any arrangements that may not be described but that are necessary to perform these services.

The District has an equal opportunity purchasing policy. The District seeks to ensure that all segments of the business community have access to supplying the goods and services needed by District programs. The District provides equal opportunity for all businesses and does not discriminate against any Service Providers regardless of race, color, religion, age, sex, and national origin or disability.

1. GENERAL TERMS AND CONDITIONS

No advertising, sales promotion or other materials of the Service Provider or its agents or representatives may identify or reference the District in any manner absent the prior written consent of the District.

1.38 Change of Law

District and Contractor agree that any agreed upon prices contained in any future Agreements do not reflect equipment or personnel requirements which may be imposed at some future date under state or federal law. In the event of a change in controlling law, the parties will negotiate in good faith to determine the most effective way to meet the new requirements.

1.39 Severability

The terms and provisions of the RFP are severable and in the event any of them shall be held to be invalid, the Agreement shall be interpreted as if such invalid term or provision were not part of the Agreement.

1.40 Termination

In addition to all of the other rights which the District may have to cancel this agreement, The District shall have the further right, without assigning any reason therefore, to terminate any work under the Contract Documents, in whole or in part, at any time at its complete discretion by providing 10 days' notice in writing from the District to Seller. If the Contract is terminated by the District in accordance with this paragraph, Seller will be paid in an amount which bears the same ratio to the total compensation as does the Goods or Services actually delivered or performed to the total originally contemplated in the Contract.

The District may terminate the Contract, in whole or in part, immediately and without prior notice upon breach of the Contract by Seller. In addition to any other remedies available to the District law or equity, the District may procure upon such terms as the District shall deem appropriate, Goods or Services substantially similar to those so terminated, in which case Seller shall be liable to the District for any excess costs for such similar supplies or services and any expenses incurred in connection therewith.

The District may at any time insist upon strict compliance with these terms and conditions notwithstanding any previous course of dealing or course of performance between the parties to the contrary.

In submitting a response to this RFP, each Service Provider certifies that neither it, any of its affiliates or subcontractors, nor any employees of any of the foregoing has bribed, or attempted to bribe, an officer or employee of the District in connection with the Contract.

2. PROPOSAL REQUIREMENTS

Other than exceptions that are stated in compliance with this Section, each Proposal will be deemed to comply with all terms, conditions, specifications, and requirements of this RFP. An “exception” is defined as the Service Provider’s inability or unwillingness to meet a term, condition, specification, or requirement in the manner specified in the RFP. All exceptions taken must be identified and explained in writing in your Proposal and must specifically reference the relevant section(s) of this RFP. As indicated in the proposal format section, please provide a SEPARATE exhibit clearly outlining the exceptions.
