*Mr REED moved to approve the minutes for March 10, 2015, seconded by Mr PEDERSEN. The motion was approved unanimously.*

### PRINCIPAL’S REPORT

Preliminary ACT results (only students who did not require extra time) are available. Our average score looks like it will be above 18; about 45% of students are testing at 20 or better (i.e., college ready) which is a new high for this school.

Renovations will (hopefully) move forward this summer as planned.

The budget is not yet available.

We won an award for having the highest attendance in the network on April 17.

We are developing (along with Lake View HS) a new partnership with U of C, the details of which are still being hammered out.

### PROFESSIONAL PERSONNEL LEADERSHIP COMMITTEE

No report.
When the budget becomes available, we will need to get a quorum at a meeting to pass it.

On May 8, groups of students in the Theory of Knowledge class will present some “apps” they have developed at a shark tank style pitch meeting at the Lyric Opera. The winning group will get internships with Slalom. Some investors have indicated that one of the apps currently under development by Amundsen students might be worth as much as $30 million.

The incoming student representative asked about eliminating class rank. The council agreed to examine the issue in the future, after Ms PAVICHEVICH investigated the issue.

Ms NAEEM asked about adding student speakers at graduation. This was declined, as there were already 3 students speaking plus a guest speaker, making graduation exercises already a lengthy event.

The council entered closed session at 7:20pm.

The council re-entered open session at 8:36pm.

Mr COHEN moved to approve the EXCEEDS EXPECTATIONS evaluation of Ms PAVICHEVICH as presented, seconded by Mr PEDERSEN. The motion was approved unanimously [Ms BIJEDIC absent, Ms PAVICHEVICH and Ms NAEEM ineligible to vote].

The meeting adjourned at 8:37pm.
