

# Wolcott Street

January 2019

Dear Parents/Guardians,

With the new year upon us, I want to reinforce some of our **safety procedures** for all our students and staff:

- Attending school everyday is very important for ALL our students!
- Arrive to school on time. Our doors open at **8:45 a.m.**
- Sign in and out of our building at the Main Office and obtain a visitor's pass.
- Do not use our designated bus parking for pick up/drop off or parking . Please use the parking lot off of Stanley Place.
- Drive slowly on/around our campus during arrival and dismissal times.
- If your child is going to miss school, please call us and leave a message with our nurses.
- Upon returning to school, please provide the school with a note.
- Dress in layers. Some areas of the building are cool, while others are warm!

## HOT TOPICS

As in the past, the **Le Roy Police Department** continues to be visible both inside and outside our buildings. Our school resource officers Ancker and Chatley, also continue to be active in and around our school. We will conduct emergency drills

throughout the remainder of the year. Again, with the temperatures, it is most important for our students to be properly dressed. You never know when we have to be outside for ANY reason!

On the academic front, I can not stress enough, the importance of having your child read every night. This is a very important part of your child's learning. As for math, please continue to reinforce addition, subtraction, multiplication, and division facts for fluency depending on your child's grade level. These are the building blocks for your child's entire math experience.

As always, if you have any questions, please feel free to email me at [cmessura@leroycsd.org](mailto:cmessura@leroycsd.org), or call at (585) 768-7115. I wish you and your family much happiness and good health in 2019!

Carol Messura  
Principal
