Dear Sea King Families,

Palos Verdes High School is fortunate to have the strong support of our parents and community. Our parents have contributed financially to our school to support our programs and Participation Donations have been a major source of that financial support.

The suggested Participation Donations for the upcoming school year continue to be calculated based on the number of students participating in the activities, the events scheduled for the activities, and the costs of transportation, officiating, equipment, competition fees, and game management expenses. Each activity will have a different suggested amount based on these variables. While the suggested Participation Donation is not mandatory, it is needed in order to keep all activities, clubs, and sports at current levels. If Participation Donations do not cover the associated costs of a program, competitions, equipment, or levels of a program offered may be jeopardized.

Please be assured that the Participation Donation, whether made or not made, and/or the amount of the donation, is confidential. The coaches/advisors do not have access to the names of the families who have or have not contributed. Only the total collected amount is shared with the coach/advisor so that he/she can make financial decisions regarding his/her program.

Donations are voluntary and no student will be denied access to, or participation in, any sport or extracurricular activity or penalized in any way based on whether or not his/her family has made a donation, or portion of a donation.

Please make checks payable to "PVHS" and turn them in to the Student Store along with the program's clearance packet.

Thank you for continuing to support the programs at Palos Verdes High School. I look forward to a successful school year. Go Sea Kings!

Sincerely,

BOOSTING ARTS, ATHLETICS & ACADEMICS

Please join your PVHS Booster Club

Take a look around campus, and you'll see the power of Booster Club contributions...

- Award-winning plays and performances, student field trips, and technology
- Wellness Center, and College and Career Counseling resources
- Highly trained teachers and staff who attend important conferences and competitions
- Top ranked PVIT and Robotics teams, and Live from 205
- Brand new Stadium Field Turf and Cage Ball area
- Professional-grade dance floors, and jumbo athletic lockers in boys and girls locker rooms

To provide a top-notch college prep experience to our students in a public school context takes tremendous commitment from our entire community. In collaboration with PTSA and PEF, the PVHS Booster Club plays a critical role in making that happen. Our mission is to support and promote the 3 A's – Arts, Athletics, and Academics – as well as other PVHS extracurricular activities. Our objective is to enrich the PVHS student experience and community at large by providing financial support in areas not covered by the PVPUSD budget. **For example, students greatly benefit from off-season coaching and athletic trainers who are not funded by participation donations, ASB, or the district but by the Palos Verdes High School Booster Club.**

100% of your donations stay right here on the PVHS campus and you may designate any contribution above the \$200 Basic Level to any Arts, Athletics, or Academics program of your choice.

We thank you for your support – Go Sea Kings!

The Board of Education recognizes that extracurricular and co-curricular activities enrich the educational and social development and experiences of students. The district shall encourage and support student participation in extracurricular and co-curricular activities without compromising the integrity and purpose of the educational program (BP 6145).

The Board of Education believes that all students have the right to be educated in a positive learning environment free from disruptions. Students shall be expected to exhibit appropriate conduct that does not infringe upon the rights of others or interfere with the school program while on school grounds, while going to or coming from school, while at school activities, and while on district transportation (AR 5131).

PVHS CODE OF CONDUCT FOR STUDENTS

PVHS students should demonstrate high standards of ethics and promote the development of good character and other important life skills. The highest potential is achieved when participants are committed to pursuing success in school activities according to six core principles: trustworthiness, respect, responsibility, fairness, caring, and good citizenship (the "Six Pillars of Character"). This code applies to all students involved in activities in PVHS. I understand that, in order to participate in high school activities, I must act in accord with the following (derived from PVPUSD policy 6145E):

TRUSTWORTHINESS

Trustworthiness - be worthy of trust in all I do.

Integrity-live up to high ideals of ethics

Honesty-do not lie, cheat, steal or engage in any other dishonest conduct

Reliability-fulfill commitments; do what I say I will do; be on time to activities

RESPECT

Respect-treat all people with respect all the time and require the same

Disrespectful Conduct-don't engage in disrespectful conduct of any sort including profanity, obscene gestures, offensive remarks of a sexual or racial nature, trash-talking, taunting, or other actions that demean individuals

Respect Staff-treat staff with respect

RESPONSIBILITY

Importance of Education - be a student first and commit to getting the best education I can

Role-Modeling - Remember, participation in activities is a privilege, not a right and that I am expected to represent my school, teachers and peers with honor. Consistently exhibit good character and conduct yourself as a positive role model. Suspension or termination of the participation privilege is within the sole discretion of the school administration.

Self-Control - exercise self-control

Healthy Lifestyle - safeguard your health; don't use any illegal or unhealthy substances including alcohol, tobacco and drugs

FAIRNESS

Be Fair - live up to high standards of fair play; be open-minded; always be willing to listen and learn.

CARING

Concern for Others - demonstrate concern for others

Peers - help promote the well-being of peers by positive counseling and encouragement or by reporting any unhealthy or dangerous conduct to staff

CITIZENSHIP

Follow directions - maintain a thorough commitment to follow directions at all times

I have read and understand the requirements of this Code of Conduct. I understand that I'm expected to perform according to this code and I understand that there may be sanctions or penalties if I do not. Participation in PVHS Activities requires that I follow all school rules and policies at all times.
