English Language Arts				English Language Arts CONT.			
Reading Foundational Skills				Speaking and Listening			
Reads grade level text with accuracy and fluency to support comprehension				Engages in collaborative conversations, expresses ideas, and builds on the ideas of others			
Applies grade level phonics and word analysis skills				Demonstrate listening skills for information and understanding			
Determines the meanings of words and phrases				Language			
Demonstrates stamina in reading				Demonstrates a command of capitalization, punctuation, grammar, and spelling			
Reading Literature and Informational Text				Applies grade level spelling rules for known and unknown words			
Determines the main idea and supporting details				Demonstrates a command of and applies conventions of grammar and usage			
Analyzes characters, setting and events using text evidence and determines theme				Mathematics			
Uses multiple strategies to determine theme and tone of a text				Operations and Algebraic Thinking			
Summarizes text using key details to draw inferences				Uses parentheses, brackets, or braces in numerical expressions, and evaluate expressions with these symbols.			
Compares and contrasts themes, central ideas, topics, and point of views using text evidence				Analyzes patterns and relationships			
Describes the overall structure of text				Numbers and Operations in Base Ten			
Integrates and reflects on information from two texts				Demonstrates knowledge of place value of whole numbers and decimals			
Writing				Performs operations multi-digit whole numbers			
Follows the structure of the genre (opinion, narrative, and Informative)				Performs operations with decimals			
Strengthens writing by planning, revising, and editing				Numbers and Operations - Fractions			
Integrates information and evidence from several texts/digital sources on the same topic				Uses equivalent fractions as a strategy to add and subtract fractions			
Produces clear and coherent writing appropriate to task, purpose, and audience				Multiplies a fraction or whole number by a fraction			
Uses research to build and present knowledge				Divides unit fractions by whole numbers and whole numbers by unit fractions			
Uses technology to publish writing and to interact and collaborate with others				Measurement and Data			
				Converts like measurement units within a given measurement system

YEAR: [REDACTED]

Trimester:	1	2	3
Mathematics CONT.			
Understands concepts of volume			
Geometry			
Graphs points on the coordinate plane to solve real-world and mathematical problems			
Classifies two-dimensional figures into categories based on their properties			
Social Studies			
Draws on information from multiple print of digital resources, demonstrating the ability to locate an answer to a question or solve a problem			
Determines the meaning of academic and domain specific words relevant to a subject area			
Science			
Asks questions, analyzes data, makes observation and communicates findings/solutions			
Exhibits an understanding of vocabulary and concepts			
Applies knowledge to classroom discussions and activities			
Demonstrates preparedness			
Physical Education			
Performs fundamental skills			
Exhibits cooperation			
Demonstrates preparedness			
Health			
Understands basic concepts			
Practices good health and safety habits			

Trimester:	1	2	3
Art			
Understands processes and techniques			
Completes projects in a timely manner			
Demonstrates interest and shows effort			
Follows directions and stays focused on tasks			
Works cooperatively			
Instrumental Music			
Demonstrates knowledge of music theory and application			
Demonstrates preparedness			
Music			
Demonstrates understanding of concepts and application of skills			
Participates, cooperates, and persists			
Spanish			
Learns basic vocabulary			
Listens to directions and stays focused			
Exhibits class participation			
Demonstrates preparedness			
Computers			
Demonstrates understanding of concepts and an application of skills			
Participates, cooperates and follows directions
