

# CORPORATE PARTNERS *for the* ARTS *Program*

Alumni Society

A stable place to live is essential to the success of any student. In 2006 the Alumni Society established the Housing Scholarship Fund so that students from the New York Metro Area with limited financial resources could live on campus for all four years of their undergraduate studies at the College.

The Corporate Partners for the Arts program provides crucial financial support to the Housing Scholarship program. Because the School of Visual Arts covers all overhead expenses, 100% of all donations to the SVA Alumni Society go directly to the education and financial needs of current SVA students.

Because of the continued commitment of the Corporate Partners for the Arts **two housing scholars are now given this incredible gift**, the opportunity to thrive and flourish while studying at the School of Visual Arts for the next four years.
