

STM Incoming 1st Grade Students Summer Reading Requirement Packet

Dear Parents of Incoming First Grade Students,

Those lazy summer days of swimming, playing sports, picnicking, and of course, READING are just around the corner. To make sure that your child is sufficiently challenged with books they read during the summer -our school encourages and requires all incoming 1st grade students to complete a reading requirement. We all know that reading is an extremely important skill that a child needs to practice and maintain in order to improve and succeed in reading/academics and vocabulary abilities.

The following 2 books are the required summer readings for the 2017-2018 school year.

- 1. One Fish, Two Fish, Red Fish, Blue Fish By: Dr. Seuss**
- 2. David Goes To School by David Shannon**

Incoming first graders must read the two books or have a parent help read with them. Please complete the two book reports together- one for each book. Also, complete the "Super Sequence Power Sheet". Children will draw pictures to tell a story in order.

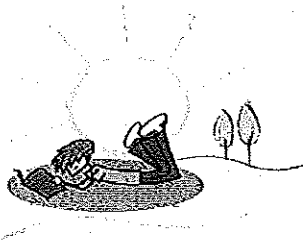

Book reports are to be turned in starting 8/20/18 through 8/23/18 for full credit (you have 4 days to turn in work). I will not accept late work after 8/23/18. You can either purchase the books or get them from a local public library. The two books are required readings but I strongly encourage you to have your child read more books during his or her summer vacation.

Have a wonderful summer of reading and fun!

Sincerely,

Mrs. Ortiz

Note: If you misplace the summer school reading packet assignment, then please call the office for an extra. Thank you!

St. Thomas More School Summer Reading 2018

Your child is required to read during the summer. When students read the same book it allows the teacher to build on common prior knowledge when introducing new reading strategies and vocabulary. We encourage you to read and discuss the books with your child.
