

## 1. Create Account

Go to [parents.classlink.com/bryanisd](https://parents.classlink.com/bryanisd) and enter a personal email or a phone number. Click Next.

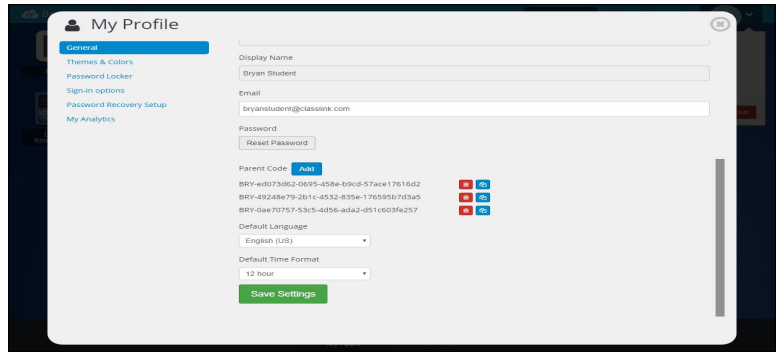

## 2. Registration Code

You will need the \*Parent Code from your child's account. See Step 3 below. Enter the Code in the Registration Code box and click Redeem.

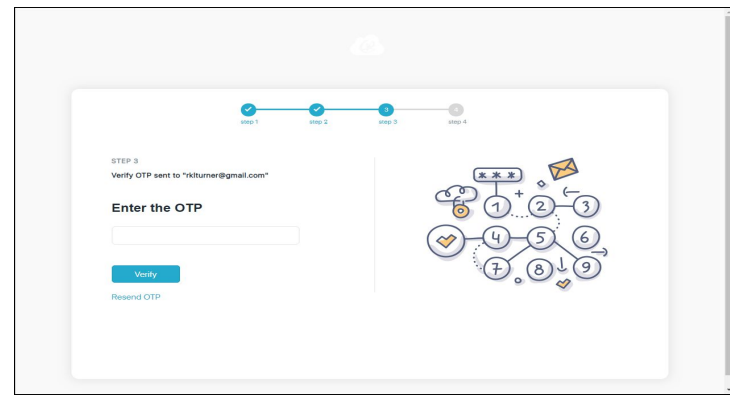

## 3. \*Parent Code

Your parent code can be accessed on the Registration page in your HAC account or from the My Profile page in your student's ClassLink account. If you are unable to find a parent code call the District Helpdesk at 979-209-1175 for assistance. Helpdesk Hours: M-Th 8:00am-5:00pm and Friday 8:00am-4:00pm.

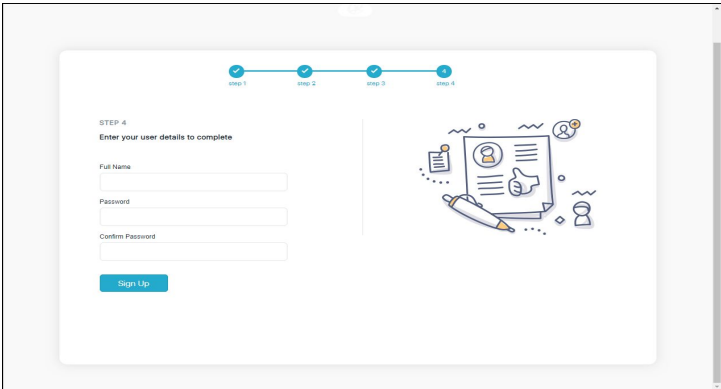

## 4. One-Time Password

You will be sent a One-Time Password to the email or phone number you used to create your account. Click Verify.

## 5. Account Information

Enter your full name and create your password. Click Sign Up. Once you complete sign up, you will be emailed your account information.

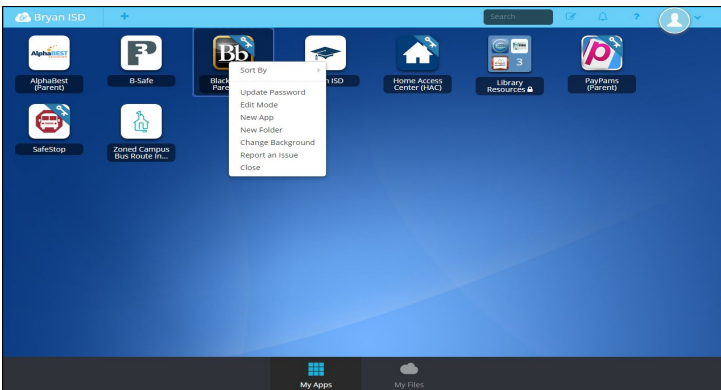

## 6. My Apps

You will see applications that the district has assigned to you. These applications can be weblinks or Single Sign-on applications.

## 7. Update Password

Right click an app and choose 'Update Password' to update or change your stored username and passwords for your applications. This is if you have entered your username or password incorrectly or if something has changed/updated.

## 8. App Library

The library contains many educational and parent resources to choose from. Click the Plus (+) on the top left of the My Apps screen. Click Add on any app to place it on your My Apps screen.
