Welcome back actors and crew to Mountain Oaks Drama workshop. This semester we are pleased to announce that our spring performance will be "The Little Mermaid." This is the tentative syllabus for our Fall 2018 Drama workshop. **Monday** workshops are highlighted in blue. **Thursday** workshops are highlighted in yellow. Please review and save the dates for tech week, our Friday evening performance, Saturday matinee, and Winter Craft Day performance. It is required that all students enrolled in drama will perform on stage and/or work backstage for the drama production. Highschool students will be graded. Any student who misses two classes unexcused or four classes total will be dropped from the class. Homework consists of memorizing lines and creating his/her own costume unless stated otherwise. Crew members' homework consists of knowing all acts and scene changes as well as cues. Further homework will be assigned to individual crew members determined by their specific job assignment. This syllabus is subject to change.
