

Please join us as we honor the following 2009 Menehune Kina'ole Award recipients for their accomplishments and contributions to the community.

**Dara Fukuhara,
Class of 1998**

Dara Fukuhara is one of Hawaii's inspirational stories. A proud graduate of MoHS in 1998, she was awarded the 2007 Personal Achievement Award from the Muscular Dystrophy Association. She was appointed by the governor to serve as the Vice President of the State Independent Living Council of Hawaii. She is a Senior Account Executive at Communications Pacific.

**Dr. Alan Serikawa,
Class of 1983**

Dr. Alan Serikawa has created a successful medical practice for the Moanalua-Salt Lake community and he serves as a role model for everyone at Moanalua High. Graduating in 1983, Alan was active in high school as a class president, member of the Judo Team and Marching Band. He continues to serve the community – Co Chairperson of Moanalua Elementary Fun Fair Set Up Committee and through other activities.

**Stan Tamashiro President,
MoHS Music Boosters,
1998 to 2001**

In 1997, Stan Tamashiro volunteered to chaperone the upcoming MoHS band trip. When the call came for help for a Trip Chairperson, wife Susan volunteered Stan to be in charge of the entire trip – and the rest is history. He has served as the President of the Music Boosters and from 1997 through 2006 has taken the lead in coordinating six trips for the music students of Moanalua High. Stan and Susan have dedicated years and years of support for Moanalua High School and children Daryl (1999) and Jaymie (2001) are proud graduates of MoHS.

**Raymond and Glorianne Young
Project Graduation,
Parent Volunteers**

Raymond and Glorianne Young exemplify the best of parent volunteers that MoHS has ever had. Whether it involves major facility improvements at school or taking charge of Project Graduation, Raymond and Glorianne have "lived" at MoHS for the past ten years providing service and support for our students and teachers. Proud parents of three MoHS graduates – Randall (2004), Roger (2006), Richmond (2008) and future Na Menehune – Reno (2014), the Young Family is a priceless treasure of Moanalua.
