

Parents,

This message is to inform you that North Alamo Water Supply is completing a project on 1st street in front of the elementary pick up area. For today, if your child is a pick up please proceed through the administration parking lot and pick up your child in front of the middle school or elementary. The bus routes will run the same. Thank you.

For any questions or concerns please contact the campus office.

Padres,

Queremos informarles que North Alamo está reparando una línea de agua. Por lo tanto, esta tarde, solamente, tendrá que levantar a sus hijos al frente del edificio de Jose Borrego Middle School y de la primaria. Las rutas del autobús seguirán igual y no serán afectadas.

Si tiene preguntas llame a la oficina del plantel.
