

SALEM ELEMENTARY SCHOOL

WEEKLY SNAPSHOT

SEPTEMBER 28, 2018

Salem students SOAR to success by being

Safe, taking Ownership, being Accepting of others, and being Responsible.

Welcome to Salem 4J !!

Salem School is so thankful to our superintendents and members of the Board of Education for approving an additional fourth-grade class. The newly formed class, 4J, started the morning together on Wednesday. Mrs. Janowitz and her class are off to a great start.

Amazing Achievements

Four Salem Schools teachers were recently recognized by the Naugatuck Public School district for leading their students in making large gains in achievement during the 2017-2018 school year. Ms. Boulay had 100% of her students to achieve their projected growth in math last year. Additionally, Mrs. Wildman, Mrs. Larrow, and Mrs. Miller helped 90% of their students achieve their projected growth in math.

Water Colors

In art class, this week kindergarteners worked on creating watercolor collages. They also learned about drawing with pencil first to form the outline. Then going back to their work when finalized and tracing with a marker. They love any chance they get to use markers!

Notes from the Office

Families are asked to continue to bring identification with them whenever picking up their child throughout the school year. There are many instances when a staff member other than the regular classroom teacher may have to bring students out for parent pick up. They may not know who everyone is so they are required to ask for identification. Please remind other family members to do the same if someone else is picking up your child.

Upcoming Important Dates

Tuesday, October 2nd: PTO Monthly Meeting at 6:30 in the main lobby

Wed., Thursday & Friday, October 17-19th: Early Dismissal at 1:00 p.m. for Parent Conferences
