Description

Shorewood Intermediate School (SIS) is seeking a highly qualified, long term substitute science teacher who has a passion for teaching. Applicants should be flexible and innovative practitioners who value diverse and multicultural perspectives and can demonstrate their abilities with strong communication skills and positive classroom management. The ideal candidate will be able to teach 7th Grade Science.

ESSENTIAL DUTIES & RESPONSIBILITIES INCLUDE:

- Understand and implement all aspects of lab safety.
- Apply knowledge of chemical handling and proper storage.
- Understand how students learn and develop, and apply that knowledge in practice.
- Organize class time to provide a balanced program of instruction, demonstration, work time and assessment.
- Guide the learning process toward the achievement of curriculum goals and establishes clear objectives for all lessons, units, projects and the like to communicate these objectives to students.
- Teach students with respect for their individual and cultural characteristics
- Develop lesson plans and instructional material and provides individualized and small group instruction to adapt the curriculum to the needs of students.
- Use current technology to enhance instruction, record-keeping and research.
- Evaluate students' academic and social growth, keep appropriate records.
- Identify student needs and make appropriate referrals and develops strategies for individual education plans.
- Create and maintain a safe learning environment in which all students are actively engaged and contributing members.
- Communicate with parents by means of phone calls, email conferences, etc.
- All other duties that may be assigned, in a manner that will meet the standards established by the Superintendent and/or the Board of Education.

KEY SKILLS & ABILITIES:

- Ability to work in a team environment.
- Must have excellent written, oral, and interpersonal communication skills.
- Must possess thorough knowledge of subject(s)/curriculum being taught.
- Ability to manage multiple tasks and maintain classroom and self-organization.
- Ability to assume responsibility, display initiative, and exercise good judgment.
- Must demonstrate strong convictions and support for the District and Department's mission, vision, and goals.
- Ability to work positively, effectively, and ethically with the community, students, parents, and District personnel.
- Ability to perform duties with awareness of all District requirements as well as Board and District policies and guidelines.
