Dear Parents,

We are closely monitoring the COVID-19 situation. We will inform you on Friday at 5pm regarding any updates for the following week. Updates will be provided on a weekly basis.

We are working diligently to help keep your kids safe while receiving a proper education. It is mandatory that your child completes and submits his/her school assignments.

Math Kangaroo Competition Grades 1-8: Canceled.

Mandatory Home Instruction!

Student assignments will be distributed on a weekly basis starting tomorrow, March 18. Parents will be notified via email, text message, or through school website the exact date and time for pick up.

Assignments for the week of 3-16: Parents can come tomorrow March 18, between the hours of 11:15 am to 2:15 pm. This work must be completed, placed in a folder, and returned to the school by the beginning of next week.

It is mandatory and it is the parents' responsibility to come and pick up their child's assignments from school. There will be a sign in sheet at the front desk which parents will sign to pick up assignments. **Please be advised that if a child does not submit or complete his/her assignments, he/she will receive a failing grade.**

Breakfast and Lunch Meals

It is our priority to ensure that our students receive nutritious breakfast and lunch meals. Therefore, we will continue providing our students breakfast and lunch here at Badr School. We will have emergency packaged meals that parents can **pick up** Monday through Thursday between the hours of 11:15 am to 2:15 pm.

It is crucial that parents constantly visit our website www.badrschool.org for any important information and updates.
