\$5 Activity Fee	1 <sup>st</sup> Period Teacher

**Does not include electives!**

Ms. Copeland's sixth grade Reading/English Language Arts Class

Supplies needed for class:

24 mechanical pencils

3 packs of loose leaf paper

1 pack of kleenex

4 pocket folders with brads in center one for each 9 weeks

1-1 inch binder to be kept in class

This class is a two hour block. One grade will be given for a combined Reading/English grade. However it counts as two classes. We will be reading four novels, completing cold reads and writing of essays and practicing grammar skills over the course of the year.

Novels:

Out of the Dust

If Stones Could Speak

Hatchet

Steve Jobs

Class overview:

This class will test the students reading and writing skills. It will include rhetorical terms and literary devices that will help the student to become a better reader and writer. All work is expected to be on time and several days notice will be given for each quiz. There will always be a study guide for testing. The students will also go to the computer lab once a week to focus on leap testing skills. The student can also practice at home using study island via cpsbla.us. My email is [StaceyC@cpsbla.us](mailto:StaceyC@cpsbla.us) if you need to contact me. Let's work together to make this a great school year. Please make sure your student is prepared for work every day. This will help with discipline issues. Rules are posted in class and students will be informed of the classroom operation procedures. Also, I have class dojo that you may contact e me.

Thanks, S. Copeland
