

Lunch Program 2019-20

Yeshivat Noam is pleased to offer the 2019-2020 hot lunch program. **Meat meals will be offered 3 days per week** on Monday, Tuesday and Thursday, with Dairy meals on Wednesday and Friday. At this time we are able to offer a nut controlled menu which is catered by the Kosher Experience. We are unable to accommodate any other food restrictions at this time. The lunch menu being offered to the Early Childhood has been adjusted in order to create a more successful lunch experience for the Early Childhood students. This has been done in consultation with the Early Childhood administration and faculty. To view a sample menu, please visit our website.
