

The Delta Academy is proud to announce that Project 150 is providing 100 holiday meals to our families for Thanksgiving. The meals are wonderful and include a turkey, stuffing, dinner rolls, cranberry sauce, vegetables, and a tasty dessert. They are available on a first come first serve basis to both our day school and online families. Please fill out this form and return it to school as soon as possible to ensure that you receive a meal.

If you have any questions please contact Mrs. Fredricks at (702) 396-2252.
