**WELCOME TO YOUR
PARENT TEACHER STUDENT ASSOCIATION!**

We are a diverse group of parents, teachers and community members excited about the future of our children at Kalaheo High School. Join us and help make a difference in hundreds of lives—including the one's closest to your heart.

At this stage in your child's life, it is more important than ever to stay involved in their education. In fact, over 500 independent studies show that when parents are involved in their children's education, it makes a tremendous difference. (Take a look at some of the statistics on the left.)

Joining the PTSA makes this job a little easier. We provide an excellent opportunity for parents to meet one another, get comfortable with the school and it's staff, and support each other's common goals. Plus, we have a lot of fun in the process!

Your PTSA needs your unique talents, whether it's volunteering a few hours a month or a few hours a year, serving on the Board, attending meetings or sharing your ideas on our website ...
