Aloha Parents and Guardians of Students in Grades 9-11:

During the last week of the 2nd semester (5/28 - 5/31), we will be following a finals week schedule. The purpose of finals week is to close out the semester/year, and allow our students to experience an important part of a college going culture. As you will notice in the schedule below, finals will take place in the morning and then students are dismissed for the day. The optional Rider Time period will be available for the first three days of the finals week to provide students with an opportunity to meet with teachers, complete make-up work and/or review for the next day's final.
