June 2019

Dear Family,

We are very excited that you will be attending Dulles for the 2019-2020 school year! This summer, prior to the start of school, we will be assessing our incoming Kindergarten students so that we may balance our classes with an even amount of genders and abilities. Children who attended either Junior Kindergarten or Transitional Kindergarten do not need to be assessed. **Our Kindergarten assessment day will be Wednesday, July 24, 2019.** On that day, students will meet with one of our Kindergarten teachers to go over a few academic tasks such as letter/number recognition, letter sounds, and simple writing. There is no need to prepare your child for the assessment.

A Kindergarten Meet & Greet will also take place on that day at 8:00am in our cafeteria. Our principal and teachers will present information about classes, policies and procedures. All incoming Kindergarten families are welcome to attend. We look forward to meeting you and your child and getting our school year off to a great start!

We are currently scheduling appointments for assessments. Please call the school office at (562) 943-6734 to schedule an appointment as soon as possible.

Thank you,

Dulles Elementary

The Dulles Difference!
