2. Motivate students to realize their full potential by identifying and helping remove barriers prohibiting a productive school experience.
3. Become partners with parents and members of the larger community in equipping the students with tools to succeed.

OBJECTIVES

1. Students will return with dignity and success to their regular instructional campus.
2. Students will take responsibility for their mistakes and will be better equipped to solve problems, to make healthy choices and sound decisions.
3. Students will gain sufficient academic skills, thinking skills and social skills to provide them the opportunity to achieve greater success in the broader culture.
4. Parents will understand they are partners in education and a vital component in their child's school experience.

TISD Core Values

- Relationships
- Innovation
- Passion
- Excellence

STUDENT PARENT RESPONSIBILITIES

Student Responsibilities:

- Follow all rules, procedures, schedules and directions of staff while in the TOC (DAEP).
- Do not discriminate against other students or staff or use language or behavior that implies prejudice or discrimination.
- Assist in cleaning and maintaining the TOC campus.

Parent/Guardian Responsibilities:

- Students should arrive at school no later than 7:55 to the T.O.C. entry area.
- Students are not allowed to allowed drive to school.
- Please pick up your child between 3:30pm – 3:45pm. Please make arrangements in advance.
- Physical Activity (including P.E.): a physician’s note is required to limit/prevent student(s) from participating in the physical component of the program. A medical condition or injury must state length of time student is to refrain from/limit physical activities and date student is released from this order. Injuries/conditions less serious will require a parent/guardian note providing statement of injury and request for student to be held out of physical activities. There are very few situations that would disallow participation in physical activities for an extended length of time. Any student who submits a parent note requiring abstinence from physical activity for more than two days will be required to have medical documentation. Any documentation that is found to be false or misleading will result in disciplinary consequences. Failure to comply may result in further consequences.
- Attend school meetings or functions.

PRINCIPAL’S AUTHORITY

- The principal shall be responsible for assuming responsibility and instructional leadership, under the supervision of the superintendent, for discipline, and the planning, observation, supervision, and evaluation of the educational program at the TOC (DAEP). The principal has the authority to modify any regulations in this handbook if, as it applies to individual students, such regulation will conflict with the above duties and responsibilities. Such changes must not be retroactive except in situations where a technical injustice to a student might be corrected.
- This handbook and the code of conduct are not all-inclusive and are not to take the place of or serve as a complete guide to the Taylor ISD policies. District Board Policies are available for review on the Taylor ISD website. A copy of the code of conduct is available online at www.taylorisd.org.
- The procedures of the discipline plan may be altered at the discretion of the principal based on (a) the seriousness of the offense, (b) student’s age, (c) frequency of misconduct, (d) student’s attitude, (e) potential effect of misconduct on the school environment.

Grades/Grading

TOC will follow the home/sending campus grading guidelines.

All Students (6th – 12th Grade): The DAEP staff will assume the role of an academic advocate for each student while serving their placement. Staff will take the opportunity to provide one on one and small group instruction to ensure student academic well being.

- Grades are calculated according to district, campus and departmental policy.
- The home campus teacher will grade all student work and is responsible for providing feedback to the corresponding DAEP teacher on needed remediation based on student work. The student's home campus teacher is responsible for entering all student grades. Parents are encouraged to check student progress online through parental access.

State-Mandated Assessments

Students at certain grade levels will take state assessment tests as well as other measures of achievement. See **Standardized Testing** in the District Student/Parent Handbook for more information.

DISCIPLINE

Searches – TOC (DAEP)

Students will be searched each time they enter the TOC (DAEP) campus and at other designated times at the staffs' discretion. Coats or any other item of clothing worn due to weather will be searched and confiscated for the day and students will not be allowed access to these items during the school day. These items will be returned at the end of day. Non-required items are not allowed to be brought on the TOC campus. Females may bring a small purse with personal hygiene products. This will also be searched and only be in the possession of the student when using the restroom. Searches include a basic pat down, removal of and check of shoes and socks, and metal detecting wand. The only items that will be allowed to be in the possession of students during the day are a student or state ID, 5 dollars or less (bills only), a house key and a small chap stick.

- The Principal has discretion on all questionable items.
- Confiscated items may be returned to the student at the end of the day on the first offense. Subsequent offenses of this policy will result in the confiscated item being returned **ONLY** to the parent/guardian(s).

Surveillance Cameras

To maintain discipline, order, and safety at TOC (DAEP), surveillance cameras have been installed in the classrooms, hallways and office area.

General Conduct

The objective of DAEP is to help students learn how to behave and operate within the boundaries of school policy. Students who establish a consistent pattern of good behavior will be awarded the opportunity to be released from DAEP early at the discretion of the home campus administration.

The key elements in having a successful day are for the student to raise their hand for permission to do everything. In every situation, don't speak until you are called upon to do so and fully cooperate with TOC staff. **Partial compliance or cooperation is the same as non-compliance and non-cooperation. Less than immediate compliance and cooperation is the same as non-compliance and not cooperating.**

In addition to normal school consequences of inappropriate school behavior such as detentions and suspensions DAEP will employ additional measures related to physical training and removal from class into an isolation room. All methods of consequences from a redirect to expulsion will be in proportion to the level of the inappropriate behavior.

If a student commits an infraction that requires a state mandated automatic DAEP placement while currently serving in DAEP another DAEP hearing would take place and an additional amount of time can be mandated. Persistent misbehavior while in DAEP can ultimately result in another concurrent DAEP placement. Severe infractions of policy can result in expulsion and JJAEP placement.

Prohibited Items

Students are not permitted to bring items such as cell phones, pagers, radios, CD players, tape recorders, camcorders, DVD players, cameras, or other electronic devices or games to school. Students who attempt to bring these items onto the campus will have them confiscated and will be required to pay a \$15 dollar handling fee to regain possession of the item. Repeated infractions will result in the parent having to pay and pick up the item.

- Food, drink, or chewing gum is not allowed in class, except on special occasions at the discretion of the staff and within the guidelines of the FFA policy.
- Refer to Student Code of Conduct for additional prohibited items.
- Confiscated items may be returned to the student at the end of the day on the first offense. Subsequent offenses of this policy will result in the confiscated item being returned ONLY to the parent/guardian(s).

TOC (DAEP) Rules for Conduct (additional expectations are relayed as needed)

- Administrators and staff have full authority over student conduct at all times, including before and after school on district premises, including the TOC (DAEP) bus.

- Students are not allowed on any district campus and are prohibited from participating in school-sponsored or school-related activities during the term of placement in the TOC (DAEP).
- Students must ask a drill instructor or teacher for permission to speak by raising their hand and waiting until given permission to voice their question. All student requests must adhere to this policy.
- Breaks:
 - Parent/guardian must provide a written note from a physician if a student has an illness or condition that requires frequent bathroom and/or water breaks.
 - Bathroom and water breaks will be offered periodically throughout the day.
- Students who recognize they are having behavioral difficulties may request assistance.
- Students may be allowed to leave the class for assistance or to take prescribed medication or over the counter medication provided necessary permission has been given in writing from a physician and/or parent.

- Students may not speak to others while in formation unless given permission by the drill instructor.

Removal from Class - A student removed from class for repeatedly disrupting or being non-compliant that interferes with the educational process will report to the Senior Drill Instructor.

- The student is expected to serve discipline instruction before being allowed to re-enter class.

 - All tattoos must be covered at all times.
 - All Students: hair must be of natural color and not dyed to another color. Non-distracting highlights will be permitted. Designs cut into the hair or eyebrows are prohibited.

Dress code policies are in effect upon arriving on school property and will remain in effect until the student leaves school property. This includes indoor facility and outdoor school grounds.
- Refusal to comply with dress code will result in disciplinary action.

Disruptions

In order to protect student safety and sustain an educational program free from disruption, state law permits the District to take action against any person—student or non-student—who:

- Interferes with the movement of people in an exit, an entrance, or a hallway of a District building without authorization from an administrator.
- Interferes with an authorized activity by seizing control of all or part of a building.

- Uses force, violence, or threats in an attempt to prevent participation in an authorized assembly.

- Interferes with the transportation of students in District vehicles.

Bullying or Taunting Behaviors

Students must not participate, either individually or in a group, in bullying or taunting behaviors toward another student. Such behaviors may include repeated teasing or ridicule, name-calling, threats, theft, gossip and rumors, or physical intimidation of any kind. A substantiated complaint against a student will result in disciplinary action, according to the nature of the offense and the TOC (DAEP) and Student Codes of Conduct.

Harassment on the Basis of Race, Color, Religion, National Origin, or Disability

Students must not engage in harassment behaviors motivated by race, color, religion, national origin, or disability directed toward another student.

Students are expected to treat other students and District employees with courtesy and respect; to avoid any behaviors known to be offensive; and to stop these behaviors when asked or told to stop.

The District encourages parental and student support in its efforts to address and prevent harassment in any form in the public schools. Students and/or parents are encouraged to discuss their questions or concerns about the expectations in this area with a teacher, counselor, principal or designee.

A student who believes he or she has been harassed by another student or by a District employee is encouraged to report the incident to the principal or another staff member. The allegations will be investigated and addressed. A substantiated complaint against a student will result in disciplinary action, according to the nature of the offense and the Student Code of Conduct. The student or a parent may appeal the decision of the principal regarding the outcome of the investigation in accordance with policy FNG(LOCAL). [See also policy FNC(LOCAL).]

Sexual Harassment/Sexual Abuse

Students must not engage in unwanted and unwelcome verbal or physical conduct of a sexual nature directed toward another student or a District employee. This prohibition applies whether the conduct is by word, gesture, or any other sexual conduct, including requests for sexual favors. All students are expected to treat other students and District employees with courtesy and respect, to avoid any behaviors known to be offensive, and to stop these behaviors when asked or told to stop.

The District will notify the parents of all students involved in sexual harassment by students when the allegations are not minor, and will notify parents of any incident of sexual harassment or sexual abuse by an employee. To the greatest extent possible, complaints will be treated as confidential. Limited disclosure may be necessary to complete a thorough investigation.

A complaint alleging sexual harassment by another student or sexual harassment or sexual abuse by a staff member may be presented by a student and/or parent in a conference with the principal or designee or with the Deputy Superintendent, Rodney Fausett. The student or parent may appeal the decision regarding the outcome of the outcome of the investigation in accordance with policy FNG(LOCAL).

INTERVENTION

Guidance and Counseling

Guidance and counseling services play a significant role at the Taylor Opportunity Center. The goal of the counseling program is to provide individual and/or group counseling as needed. Areas often addressed include academic guidance, self-esteem, interpersonal relationships, decision-making, character education, law related education classes, mediation, and personal concerns. Licensed counselors are available to assist students and immediate family members. Parents are strongly encouraged to discuss concerns and make counseling requests for their child during parent orientation.

All students being transported by District transportation vehicles are under the authority of the bus driver and must comply with his/her requests. Any student failing to follow the rules and procedures will be written up on a Bus Misconduct Report that will be turned in to the Director of Transportation (this includes all violations of the District Student Code of Conduct). The campus administrator will determine appropriate disciplinary measures which may include temporary or permanent removal of the transportation privileges. Parents/guardians of students who damage transportation vehicles are responsible for retribution to TISD. In addition to compliance with the Student Code of Conduct, students are expected to comply with the *Buses and Other School Vehicles* rules listed in the District Student/Parent Handbook.

Students who refuse to comply with bus procedures and/or safety rules are subject to the consequences listed in the Student Code of Conduct (See **Removal from the School Bus**).
