

Ann-Marie Schwaner signed an athletic scholarship on January 18 to the University of West Florida to play soccer next season. Schwaner who plays midfielder/forward for the Cardinals, was a four-year letterman, three years All-State, and All-Region her junior year as a forward.

Schwaner said that being a Cardinal taught her how to be a leader on a team and prepared her for the next level. She said that she looks forward to being an Argie and also to her studies. “I will be studying Marine Biology as an undergrad and then I hope to get a Masters in Environmental Engineering,” she said.

She is pictured with her parents Tom and Susan Schwaner.
