

Schooltool App

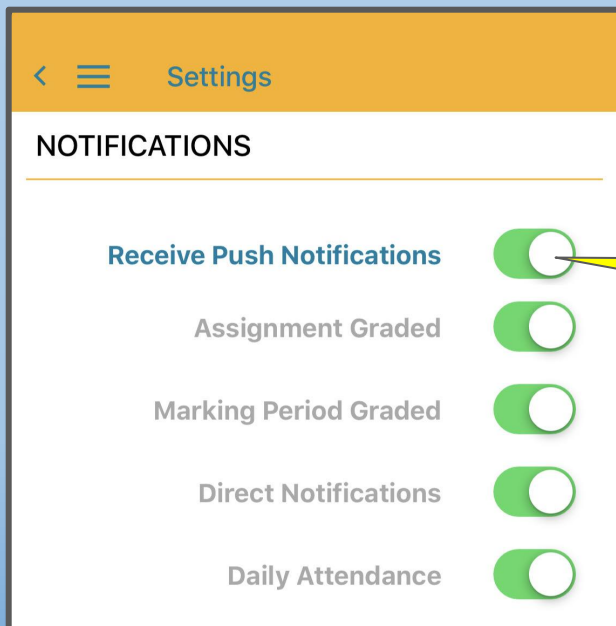

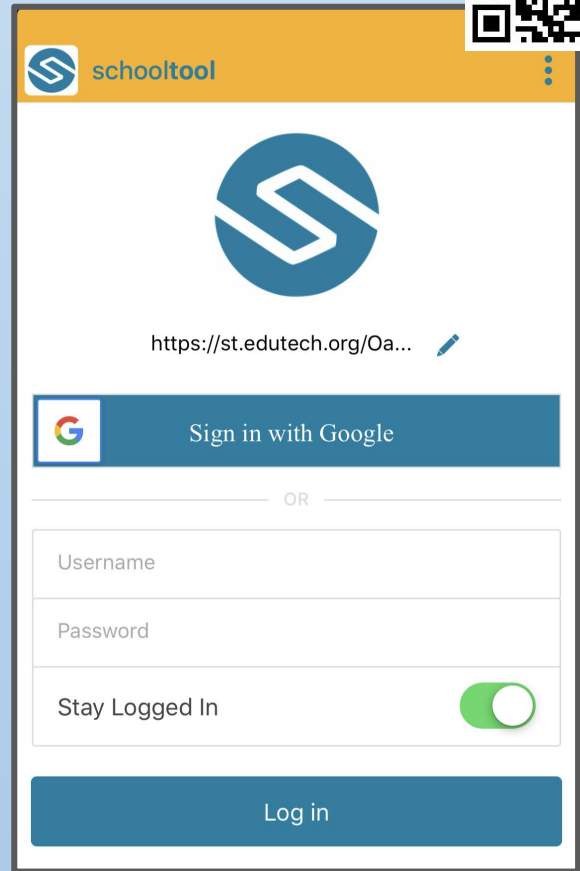

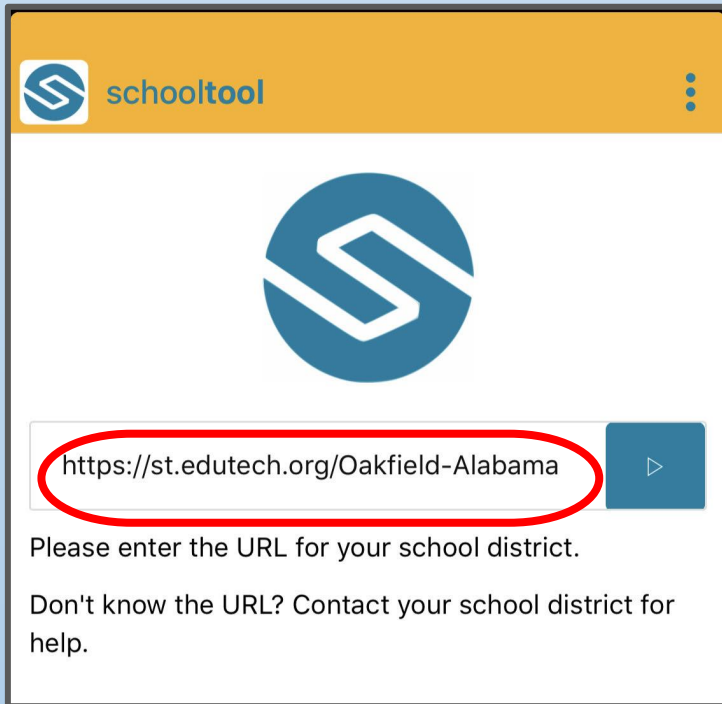

Download the Schooltool app and track your child's progress on your mobile device!

1. Install the free Schooltool app from your Apple or Android app store.
2. Enter the URL for our school (see picture below)
3. Sign in with your username/password, or Google button (gmail users only)
4. Tap settings menu (top left corner) to receive alerts when grades are posted and more.

Need an account created or password reset? Complete this form: tinyurl.com/yxv3haue or scan below
