Dear Parents/Guardians:

This morning, two students who attend the Laura Donovan School reported to a staff member that a car stopped, the driver opened the door and offered to drive the students to school. This occurred in the area of Stonehurst Apartments. The driver was a Hispanic female with a thin build and medium brown hair that was up in a bun. The car she was driving was gray. This information was reported to the Freehold Township Police who are treating it as a suspicious incident.

Notifications such as these can be very unsettling for children and parents. The goal in informing you of such incidents is to be proactive in getting information out to our school community that may be useful in protecting the safety of our children. Additionally, it is always important to remind our children to report such incidents to a responsible adult so that they can be reported to the authorities. As always, thank you for your continued understanding and support.

Sincerely,

Neal Dickstein

Superintendent of Schools
