## Stacking on the fast track

(from left): Lake Park teachers Ms. Jensen, Ms. Prado, Ms. Henderson, and Ms. Musick compete in a cup stacking contest in one of the "Minute-To-Win-It" events held Friday, Feb. 15 to celebrate positive student behavior. Fourth grade teacher Jennifer Jensen (far left) was the winner. Full story and more photos inside.

# Lake Park takes a 'Minute-To-Win-It'

Lake Park School students and staff celebrated positive student behavior with a series of Minute to Win It contests on Friday, Feb. 15. The afternoon assembly specifically recognized student success in being safe, respectful, and responsible in the lunchroom setting. Competitions involved shaking ping-pong balls out of a box, cup stacking, and bottle flipping.

The assembly also highlighted the school's initiative to help students get to know students and staff outside of their own classrooms. The Lake Park Panthers were divided into nine different 'dens' and they were seated with these multi-grade groups. Students were selected randomly from the dens to compete in the afternoon contests.
